

## **Saint Paul Linoleum & Carpet Becomes Newest INSTALL Warranty Contractor**

March 27, 2017 – Congratulations to floor covering contractor Saint Paul Linoleum & Carpet, Co. for becoming the newest INSTALL Warranty Contractor with the North Central States Regional Council of Carpenters. The owners of Saint Paul Linoleum & Carpet know the value in becoming an INSTALL Warranty Contractor, which establishes a reliable solution for General Contractors and End Users to assure elimination of faulty floorcovering installations.

Saint Paul Linoleum & Carpet’s floor covering employees recently went through the training process to become INSTALL-certified, which includes being evaluated from blueprints to finished product on more than 100 checkpoints for accuracy. Saint Paul Linoleum & Carpet ensured the company’s existing employees became INSTALL-certified by a specific deadline and continues to encourage as many upgrade classes as possible.

“Saint Paul Linoleum & Carpet is a leader in the flooring industry and we are thrilled to have them on board as a Warranty Contractor,” said NCSRCC INSTALL Representative Jeff Miller.
