**Carpenters Training Institute  
Pewaukee Campus  
262.574.6995**

**Pewaukee Skill Enhancement Classes**

**American Red Cross CPR/First Aid/AED:**

8-hour course. This class provides a First Aid/CPR/AED qualification.

Prerequisite: None

Expiration: 2 years

**Ergonomics:**

4-hour course. This class helps workers recognize working conditions that put them at risk or could cause injury and to think about strategies aimed at reducing the risks and exposures to Carpal Tunnel Syndrome, Repetitive Motion Injuries and Musculoskeletal Disorders.

Prerequisite: None

Expiration: None

**Firestop Refresher:**

4-hour course. This class refreshes 8-hour Firestop Certification.

Prerequisite: None

Expiration: 4 years

**Intro to Welding**

12-hour course. This class covers welding safety basics and includes 8 hours of shop time.

Prerequisite: None

Expiration: None

**PITO Refresher:**

Minimum 1 hour per student. Members must be observed by a qualified instructor inspecting the work area, inspecting a forklift, and driving a forklift prior to expiring. This class refreshes either the Industrial, the Rough Terrain, or both.

**Confined Space:**

16-hour course. This class deals with the characteristics of confined space and requirements for a permit-required confined space program. Atmospheric hazards are described along with the methods of and time requirements for ventilation, and procedures for monitoring air quality.

Prerequisite: None

Expiration: None

**Hazard Communication and Chemical Safety:**

8 hour course. This class is a revision of the OSHA manual, Material Safety Data Sheets. The focus in this revision is broader: chemical hazards and safety precautions are thoroughly discussed along with hazard recognition and chemical hazard protection.

Prerequisite: None

Expiration: None

**ICRA Refresher:**

8-hour course. This class refreshes/reviews the 24 hour ICRA course.

Prerequisite: ICRA Best Practice in Health Care Construction

Expiration: 4 years

**Rigging Refresher:**

16-hour course. This class refreshes 40 hour Rigging Course

Prerequisite: Rigging 40 hr.

Expiration: 4 years

**Mass Timber:**

24 hour course. This workshop will cover Heavy and Mass Timber Construction materials, job planning, tools, and installation best practices used. Mass Timber is a new category of large, engineered wood columns, beams, and

**Carpenters Training Institute  
Pewaukee Campus  
262.574.6995**

**Pewaukee Skill Enhancement Classes**

Prerequisite: Current 8hr Industrial and/or 8hr Rough Terrain qualification

Expiration: 3 years

panels that provide exceptional strength, stability, and fire resistance. The reading of structural and shop drawings, common connections for columns, beams, and panels, field modifications, and moisture management products will be discussed and performed.

Prerequisite: None

Expiration: None

**Scaffold 40 Refresher:**

8-hour course. This class refreshes/reviews scaffold 40-hour class

Prerequisite: Scaffold 40

Expiration: 4 years

**Silica Awareness:**

4-hour course. This class covers understanding the hazards of silica, with an overview of OSHA Construction silica final rule.

Prerequisite: None

Expiration: None

**Solid Surface:**

12-hour course. The Solid Surfaces class provides in-depth instruction in the technical aspects of working with solid surface material. The course covers epoxy, joining solid surfaces and proper surface finishing.

Prerequisite: Minimum 3rd year apprentice

Expiration: 4 years

**Solar Qualification:**

24-hour course. This class provide a general description of the types, design, components, and installation methods for photovoltaic systems used in various renewable energy applications.

Prerequisite: None

Expiration: 4 years

**Total Station – 8 hour**

8 hour course covering the basics of Total Station.

Prerequisite: None

Expiration: None

**Open Welding:**

8-hour course. These sessions allow for members of varying skill to become proficient welders. During these classes you will have the ability to test and become certified in multiple processes.

Prerequisite: Must have welding knowledge, taken Hot Work Permit or Intro to Welding, or have been taught welding safety protocols.

Expiration: None
