

BUILD

WWW.CARPENTERSTRAININGINSTITUTE.ORG

High school students face big decisions after graduation. A tuition-free apprenticeship in the skilled trades gives students a chance to learn and cultivate their skills through a combination of on-the-job training and school hours with no tuition costs.

Become a professional interior systems carpenter by joining the best-trained and most productive workforce in the construction industry. You will gain valuable education and earn higher wages, receive regular raises and better benefits.
