

CONTRACTORS #STOPTHESPREAD BY KEEPING YOU SAFE

CORONAVIRUS UPDATES AND HEALTH TIPS

Visit www.northcountrycarpenter for updates and videos on Tips to Stay Healthy.

CLEANING AND DISINFECTION

Daily cleaning and disinfection of restroom or portable toilets and common eating areas.

WASHING STATIONS

Sites should have washing stations for individuals to wash hands often with soap and water for at least 20 seconds.

AVOID TOUCHING FACE

Avoid touching your eyes, nose, and mouth with unwashed hands.

PRACTICE PHYSICAL DISTANCING

Practice physical distancing (6 feet from others) when possible, including staggering breaks and lunches.

COVER MOUTH AND NOSE

Cover your mouth and nose with the inside of your elbow or shirt when coughing or sneezing.

AVOID USING OTHERS' EQUIPMENT

Avoid using other employees' phones, desks, work tools and equipment when possible.

STAY HOME IF SICK

Stay home if you have a fever, cough, or shortness of breath. Ill individuals will be sent home.

WEAR A FACE COVERING

This protects those around you and if others do the same, it protects you.
