

Floorcoverers Tentative Agreement Summary May 9, 2022

Apprenticeship:

- New apprentice schedule with higher starting point (55%) and faster increases to take effect 5/1/23. New Schedule Attached.
- Language updated to reflect current practice that apprentices must always be supervised by a journey person and that the ratio is 1:1, but that more than one apprentice may be utilized under reasonable circumstances.
- Floorcovering apprentices still receive full benefits throughout their apprenticeship.
